## Security from Trusted Advisers

Our business management services practice provides our clients with a successfully proven combination of strength and diversification from highly personalized financial expertise. This practice is dedicated to understanding and meeting the needs and goals of high-net-worth individuals, their families, and businesses.

Our clients include actors, musicians, talent managers and agents, business and entertainment executives, entrepreneurs, trust fund beneficiaries, and other affluent individuals.

Through personalized, hands-on service, our business management specialists can free our clients from the day-to-day financial details that complicate their lives. Clients can rest assured that their financial activities are kept in strict confidence.

We customize our services according to the particular needs of each client, providing comprehensive financial reporting as well as other related services, including estate and tax planning. We can offer clients timely advice on the international implications of overseas business arrangements, as well as provide a full range of international accounting services through our membership in [Horwath International](#) [Horwath International](#)

Business management services include:

- Receipt and deposit of monies in client banking accounts;
- Reconciliation of monthly bank statements;
- Payment of expenses, both personal and corporate;
- Preparation of payroll, sales, and business tax returns;
- Assistance with asset purchases, leasing, and loan acquisition; and
- Coordination of insurance and estate planning needs.

We also provide the following specialized services:

- Film distribution participation and royalty investigations on behalf of major film studios and independent producers, including all markets of distribution;
- Film production and music participation investigation reports;
- “Most favored nations” analyses; and
- Music tour accounting.
